Zoologist, Jamie Beneke has been working with animals for over 20 years and his love of animals is a family affair. His company, Valley Exotics Zoo, is based in southern Ohio and offers several live, animals experiences perfect for any age group.

For the multi-day fairs and festivals, Valley Exotics Zoo offers a full petting zoo with dozens of animals you might see on the farm . . . or the Australian Outback (Yes, there are even kangaroos and wallabys)

On college campuses, Jamie has a display with a large variety of smaller mammals, marsupials, reptiles and amphibians. Valley Exotics Zoo is the perfect addition to your Family Fun Festivals, Little Sibs Weekends, Spring Flings... or anytime you want to entertain, engage and educate your audience.

MISSION

RAISE THE AWARENESS OF THE DIVERSITY OF ANIMALS WORLDWIDE AND THE NEED OF PROTECTION OF THEIR HABITATS THROUGH PROVIDING EDUCATIONAL CLOSE ENCOUNTERS WITH REPRESENTATIVE ANIMAL AMBASSADORS.
