#### PROMOTIONAL MATERIALS

GeezeCats (geez kats) n. Slang (1.) Some cool old guys. (2.) Aging hipsters, hepcats. (3.) A topnotch premium quality show band from Cleveland, Ohio

Here's a quartet of veteran musicians - seasoned players with uncommon vocal capabilities. Featuring the classic songs of the pre-Beatle days of the late '50s and early '60s - the Golden Age of Rock 'n' Roll - along with improv-style comedy which includes sight gags, one-liners, skits, bits, and costumes, this band is a "must book". Authenticity is the key here. The doo wop hits of the Skyliners and the Diamonds sound like the Skyliners and the Diamonds, The Beach Boys tunes sound like the Beach Boys, The Four Seasons songs sound like the Four Seasons. And all this is presented in a stage package the likes of which we know you've not seen before unless you've seen The GeezeCats.

### The Show

The act is staged on a theater set in front of a backdrop depicting a cozy apartment scene. With its glowing fireplace, cat family photos, robin's egg blue kitchen, distant dining room and curiously inviting staircase, it creates a truly unique setting for the show. On the set, The GeezeCats are seated amongst their stage props, which include rocking chairs, stools, end tables with lamps, and their various wigs, whistles, bells, and other accessories used in the show. How do ya like us so far?
