

RoboMedia

ROBOMEDIA (PUNCHY the ROBOT) adds a high-tech, totally interactive personality to any special event!. Great for audiences of all ages, ROBOMEDIA is 100% mobile and goes anywhere. A customized script can promote your event, give direction, entertain the crowd and advertise upcoming events. Complete with digital music and sound effects ROBOMEDIA is the ultimate tool to turn your event into something "out of this world".

Roving Robots Travel Throughout Events To:

Play Music
Recognize VIPs
Pose For Pictures
Promote Your Theme
Meet & Greet Visitors

**"PUNCHY was definitely the best foreign object to come to our school!
He was talked about for weeks."**

Glouster Community College

**"As a publicity tool, PUNCHY is the greatest.
From the moment he comes out the door, he is the talk of the campus."**

Larmer University

**PUNCHY was perfect for the first day of Open House Week. PUNCHY is entertaining,
thought-provoking and drew the attention of everyone passing by."**

SUNY/New Palz

**RoboMedia Provides talent, scripting, theme integration, decor and transport to appearances worldwide.
Best of all, it's easy and economical to add RoboMedia to any event!**

***Friendly and Funny* interactive personalities engage everyone in lively conversation.
It's the ULTIMATE interactive multi-media.**
